

## PETITION TO RE-BURY THE DEAD AT STONEHENGE 1ST NOVEMBER 2015

## THE LOYAL ARTHURIAN WARBAND www.warband.org.uk

We, the undersigned, support King Arthur's call for the ancient cremated human remains (known as the Guardians) re-exhumed from Aubrey Hole Seven Stonehenge by the Riverside Project in 2008, to be re-interred at Stonehenge now the that the original licence and extension has expired on 1st November 2015.

Religion and nationality is included as an option, in order to show that this issue of 'common decency' and reburial is not confined to any one faith/nation or indeed those of no faith; and that we all believe that we should in Arthur's words "Let those we lay to rest, stay to rest"
